The Irish Traveller Movement Annual Conference 2011, Wednesday, 15 June

The annual conference provides opportunities for the Members to come together to debate issues in a creative space and develop new analysis. At the 2010 AGM held in Dublin, the Membership discussed issues in relation to Education, Accommodation, Legal, Conflict, Traveller Participation within the Movement, Ethnicity, Youth and the ITM as a Movement.

This year the conference will focus on "The Future for Traveller

Education - Building Inclusive Education for Travellers with Ethnic Recognition" Topics for discussion will include:

- Culturally appropriate education
- The impact of education cuts on Travellers
- How do we get an inclusive education system?
- How will ethnic status impact on Traveller Education?

The conference will take place from 11am to 2:45pm on 15 June.

The Irish Traveller Movement Annual General Meeting 2011, Wednesday, 15 June

Every year the ITM holds it's Annual General Meeting (AGM) in a different part of the country. The AGM brings members together to review the work of previous years and can set priorities for the coming years through motions and resolutions. A Central Group (board of management) is selected here each year to manage the Movement on behalf of Travellers and its membership.

To protect the core vision and the collective ownership of the Movement, only full members (i.e. Traveller Organisations) have a vote at the AGM. Furthermore, the Central Group is designed in such a way, that there will always be a majority of Travellers on it.

Each year the AGM is organised with the participation of members and is the space where new direction can be given to the Movement. ITM Full Members are contacted in advance in order that they are supported to nominate representatives onto the Central Group as well as lodge Motions/Resolutions in advance of the AGM.

The AGM will take place from 3 to 6pm on 15 June and members are encouraged to attend this meeting.

There will be a social starting at 7:45pm for all those registered for the Conference and AGM.
