See overleaf for Motion passed at ITM AGM 2007 in relation to participation on the ITM Central Group and the role of the ITM Full Member Proposing the nomination and the understanding of the Nominee on the experience and commitment required to participate on the Central Group.

This motion was proposed by the ITM Central Group at the AGM in 2007:

In light of our experience of managing the ITM and in order to support the functioning of the central group, the current members of the Central Group propose the following motions:

- Members of the Central Group will have a minimum of one year's experience of management at a local level in a voluntary or paid capacity.
- Members of the Central Group must express commitment to the ethos, vision and mission of the Movement.
- Proposed members of the Central Group should have demonstrated their commitment to the ITM through active involvement within the structures of the organisation, i.e. working groups.
- Organisations nominating Central Group members will make every effort to facilitate Traveller involvement on the Central Group.
- All Central Group members will commit to attend training and planning session within the first two months of being elected/re-elected.
